VICTORIAN YOUTH PIPE BAND (VYPB)

27 June 2014

Dear PBV Members

As you are aware, Pipe Bands Victoria is currently establishing the Victorian Youth Pipe Band. This is a significant initiative for our Association and forms a key part of our PBV Strategy to further develop our learner programs.

Following feedback from various members, and with the intent of enabling more of our youth to be a part of this initiative, PBV decided to review the VYPB starting age eligibility for membership.

I therefore write to inform you that the PBV Executive has approved a variation to the starting age for members of the VYPB. The starting age will now be 12yo to 22yo. PBV members who are interested in joining the VYPB should forward their completed application form (which can be downloaded from PBV website) to me at vypb@pipebandsvic.com

With best wishes

Donald Walkley
